

Online | Business | Enterprise | Elite

Adobe provides a comprehensive range of technical resources to help support your business included as part of your Experience Cloud license subscription. Online support includes access to personalized learning paths and monitored community forums via the Adobe Experience League. You can take advantage of our detailed and in-depth technical product documentation and current release notes published on <http://www.adobe.com>. Our Online package also includes access to our technical support teams for any critical P1 product issues via telephone to help protect your business at the most critical times as well as providing the ability to log lower priority requests for assistance via support web portal.

Chat Support

Start a chat session to get answers & help with case submission.

**Not all products have live chat support.*

Office Hours

Webinars

Office Hours led by the Adobe Customer Support team includes sessions designed to inform as well as help participants troubleshoot problems and provide tips and tricks for success with Adobe solutions.

Self-help Portals

24/7 Support Portal

On-demand access to the online Self-help Support Portal to submit support requests, review case status, and browse other resources, like our knowledgebase, news and alerts, featured tips, and more.

24 X 7 X 365 P1

Phone Support

Authorized users or Named Support Contacts can submit issues through all available channels (including phone for P1) and interact with our technical support team on behalf of your company.

Resources

Experience League	<p>Experience League is how Adobe helps businesses achieve the value they expect from their Adobe investment. It's the unified place where customers can learn, connect, and grow along a personalized path to success that includes self-help tutorials, product documentation, instructor-led training, community and technical support.</p>
Training	<p>Adobe Digital Learning Services courses are accessible from Experience League. Learning courses integrate both on-demand and instructor-led lessons. Here you can accrue skills that have recognized market value and position them to drive success in your organizations.</p>
Production Issues & System Outages	<p>Status.adobe.com conveys the health information of all Adobe products and services that are deployed in multi-tenant environments. Customers can choose their subscription preferences to get email notifications whenever Adobe creates, updates or resolves a product event. This can include scheduled maintenance or service issues of varying levels of severity.</p>
Terms and Conditions	<p>Terms and conditions detailing Support Services offerings.</p>
